

We have an immediate opening for a full-time and permanent position as

Consultant (m/f)

Challenge in an international expanding company

We offer you the opportunity to use your analytical abilities in challenging projects and, together with us, move the pharmaceutical market.

Job Description

As a future industry specialist you will understand the problems and needs of management in the pharmaceutical market and specifically address them using our portfolio of solutions. You will adapt to changing market requirements and consistently develop new solutions and contribute to the development of our brand.

Major Job Responsibilities:

- Transformation of complex customer questions from the healthcare sector into analytical models
- Planning and controlling of project related analysis together with our analytics team
- Developing and using the adequate data source to solve project specific problems
- Preparation of presentations and reports of analytic project results
- Communication with our customers, participation in meetings with customers
- Collaboration during the development and documentation of pitches for future projects

Your Requirements

- An outstanding degree in natural and social sciences or business administration (Diploma or Master)
- 2 years of work experience in Pharmaceutical Industries, Marketing & Sales, Regulatory Affairs, Market Access or Clinical Development
- Extensive knowledge of MS Office
- In-depth knowledge of methods
- Advanced fluency in English, ideally knowledge of other foreign languages
- Other Skills: high motivation, committed, independent and effective work style, creativity, flexibility, ability to work in a team, very good communication and presentation skills

What awaits you

A challenging and interesting position with multifaceted tasks and a lot of room for creativity. On top of this, a young, successful company with a fast-growing team that is ambitious and full of enthusiasm for their work. Based on the best market and network data available, Mederi Consultants and Analysts develop innovative solutions to optimize R&D, sales and marketing for our customers.

We value a corporate culture defined by sincerity and respect. And our success speaks for itself - eight of the top ten leading pharmaceutical companies use Mederi solutions.
